Sebastian Thorsen.

ARCHITECT STUDENT

ABOUT ME

Born and raised in Denmark, I am an architect student who believes in a human-centric approach to architecture. I aspire to create spaces that inspire people and structures that enrich cities. I hope to use my multi-faceted background to innovate on how we analyze the needs of our target group as well as the ways we communicate our vision.

EDUCATION

Bachelor's Degree in Architecture

Politechnika Krakowska 2023-2027
